## Chair's Report:

Good year but not fantastic. We need to grow the coaching staff. Chris D is qualified but he is ill and having chemo not working so not a good outcome. He enjoys the messages. Jarek will be going on a coaching course in the new year to do his level 1. Finding court space for training is proving to be very difficult. Need the space for the men to train who will be asked by the coach to join. Looking at Solent uni but been told we are an outside club coming in so will be last on the list. Andy is having a chat with swarvek about maybe joining forces with them. Another angle is maybe king Edwards on a Wednesday through Saffi who has a contact. Tammy follow up finding a sports hall. Saturday training ran at a loss, so Saturday needs a little more thought.

Tournament was great even tho wet everyone had great fun. Less injuries (no ambulances). Maybe an idea is to limit the number of teams that enter to 24. Or find out if we can fit a 7th net in. Big thanks to Andy for all his hard work and effort. Andy said a big thanks to everyone involved behind the scenes.

## Treasurer's Report:

Attached report. Debate about charges. Set fee for every month. Or keep it as a pay as you go. It was raised after the Saturday sessions ran at a loss. SADVA would like to give money back to the clubs. Agm is on the 18th of September.

## Coach's Report:

SADVA - men came first, Ladies came 2nd and 3rd

HVA - ladies came 2nd in the league, came down to a point in difference. They went on to play SEVA. Alex and Jess who were new to playing the year before were doing very well by end of the season. Men stronger towards the end.

Ability and numbers are affecting the coaching. Loads of people to coach, need more coaches on a Tuesday Dave, Tammy, jarek to help. Andy is trying to face the challenges. Coaching 63 of the 71 sessions.

Andy received a huge thanks for all his efforts. Paul also liked Dave's coaching but didn't like Tammy's. !!!

## Social Secretary's Report:
