Seconded: Alia.

Social Sec – Andreea/Dave Cowley

Proposed: Alia.

Seconded: Paul.

CWO – Andy/Tammy

Club Ambassadors: Alia

AOB:

Social Media was discussed, nothing concrete was decided.

Paul Sharp thanked the Committee for doing a wonderful job.

Close.

Chair's Report

This was another season where the ladies teams performed better than the men's teams. The ladies won both the SADVA league and the cup, and the men came 4th in the SADVA league and 6th in the HVA league. Both teams are proving successful at feeding players into National League volleyball with the Southampton VC NVL teams.

The intention for next season is to continue with men's and ladies' teams in the local SADVA leagues, and with a men's team in the men's HVA league and combining with SVC for the ladies' HVA league.

We continue to push the limits of the available court space at training, and pick up ever more members.

Roke attended the Ashcombe tournament and the Salisbury tournament, and much fun was had by all.

The annual Roke Open tournament was held on 1st September and was again a great success. We continue to grow and will have to start thinking about how to fit more courts in at the venue. Thanks to all those that helped run the day.

Thank you to all of the committee for their efforts this season; this club would be nothing without them, and I still believe we are fulfilling our mission to give as many players as possible the opportunity to play competitive volleyball.
